Growing better Together

Shared Services Strategy

The diagram illustrates the Shared Services Strategy. At the top, a central figure (a person) is shown holding a yellow circle, which is connected to three other circles, each containing a person icon. Below this, a box contains the text "12 municipalities, One Goal- Effective Niagara Region". At the bottom, four arrows point upwards towards the central figure, labeled "Four Principles": "serve the public good", "Increase efficiency and effectiveness", "Improve customer services", and "Coordinate the use of resourcing and staffing".

12 municipalities, One Goal- Effective Niagara Region

serve the public good

Increase efficiency and effectiveness

Improve customer services

Coordinate the use of resourcing and staffing

Four Principles

Registered Early Childhood Educator (ECE)

Niagara Employment Inventory back in action!

Niagara Region is back with its annual Niagara Employment Inventory collection. This project aims to create a clearer picture of Niagara's employment landscape and local economy through feedback from businesses like yours.

Similar to previous years, we ask that you spare a few moments to fill in a quick [survey](#). The data collected helps us understand the changing economic landscape, provides valuable insight to better support regional and local development initiatives, and planning efforts.

We deeply appreciate your time and co-operation in this important process. Your participation is instrumental in making this project a success, thank you!

For more information about our Niagara Employment Inventory or to view last year's data, please visit [Niagara's Employment Inventory](#), or contact Cynthia Tia at cynthia.tia@niagararegion.ca.

[Complete the Survey](#)

Best Regards,

Niagara Employment Inventory Team
