## Percentage difference in domestic and international fees at undergraduate and graduate levels

## NC is the solution

<b>Research rankings</b>	NC is the number one college for research in Ontario and number two, countrywide.
<b>Funding support</b>	NC attracted more than \$18.2 million in fundings to carry out innovative projects in 2021.
<b>Completed research projects &amp; partnerships</b>	The college is ranked number one in terms of completed research projects (228) and research partnerships (190).
<b>In-house educational resources</b>	The college is known for its applied education as it offers 130 programs in different fields ranging from business, tourism, and media to medical sciences. Professors teaching at the college can feasibly provide expert guidance. The college can also leverage on the study materials and case studies already available from its previous projects.
<b>Grow existing projects</b>	Niagara College is already a leader of Ontario post-secondary institutions at Green House Technology Network (GTN) and Southern Ontario Network for Advanced Manufacturing Innovation (Sonami). Through this centre, the college can encourage innovation in these areas.
